

About Prompt & Play

Prompt & Play provides a safe place for children, teens, and young adults into their 20's to develop social and daily living skills through exploration and direction.

We increase environmental awareness, positive social interactions, and promote overall happiness.

Whether they are engaged through one-on-one sessions or as member of our various groups, children at Prompt & Play work towards their individual goals by learning:

- To take on a positive view of their social interactions
- Take initiative in their own social behaviors
- To become more self-sufficient and independent
- To gain an understanding of social cues and expectations
- And much, much more!! ...

Socially Well
Counseling & Wellness Center

Prompt & Play, LLC soon to be known as **Socially Well Counseling & Wellness Center** provides a safe place for children and young adults to develop social and daily living skills through exploration and direction. Services for 3 into adulthood include individual sessions, social and life skills groups, camps, transition programs, and much more.

Camp Overview

Camp Hours
9:00 AM to 3:00 PM
Monday - Friday

Our camp program is designed so children have the opportunity for both structured and non-structured play. There are two camp group options daily based on ages and abilities. There is a different theme each week, designed to engage children's creativity and imagination, while teaching them ways to interact with one another appropriately. We address all social needs, such as anger management, coping skills, non-verbal communication, and much more. We also address daily life skills. Children will learn that they can have fun, make friends, and feel safe all at the same time!

FEE: \$425.00 per week

Week 3: \$400.00
Daily Fee: \$125.00

Each week there will be an additional pool fee of \$10.00 or less plus a trip fee depending on the destination of \$30.00 or less (if applicable, trips are planned / confirmed as campers sign up)

DDDS, LISS, Respite, School District Funding, etc. funds are accepted for the weekly camp fee of \$425.00

Before &/or After Care is available for \$25.00 per hour, billed in 15 minute increments with advanced notice

Children will need to pack a lunch and a small morning snack in a lunch box with a cooler pack

* Please let us know of all allergies *

Afternoon snack of an ice pop is provided

Summer Camp Schedule and Themes

June 18th – June 22nd
Week 1 Self-Expression

What better way to begin the first week of camp with awesome ice breaker games to get to know one another? Campers will start off the summer introducing their natural talents to peers in their own unique ways! We will explore creative channels of self-expression through crafts, music, and drama all while learning different techniques to engage with others. Artistic ability is not required; this week is all about YOU!

June 25th – June 29th
Week 2 Camping

This week Prompt and Play is headed outdoors! Campers will have the opportunity to experience nature hands-on while learning about the environment around us. Lessons this week will also include "S'more Kindness" and painting our own kindness rocks to place around the community. This sensory stimulating week is sure to be an adventure!

July 2nd – July 6th
Week 3 Rainforest
Closed Wednesday, July 4th

Campers will continue their summer fun at Prompt and Play during Rainforest week! This week will be spent completing creative activities sure to engage any explorer such as, origami frogs, rainforest slime, and plant sensory bins. Campers will focus on exploring tropical rainforests around the world while working together to discover hidden mysteries of the rainforest through the use of coping skills, communication, and fun!

July 9th – July 13th
Week 4 Mad Scientist!

Welcome to a wacky week of experiments! Campers will explore their inner scientist while learning about different aspects of physics, chemistry, technology, and electricity! Activities will include a variety of STEM challenges as well as making "worms dance" using a top-secret concoction! Other lessons this week will focus on teamwork and giving compliments.

July 16th – July 20th
Week 5 Outer Space

Campers will be provided the opportunity to explore more about the universe we live in while engaging in hands on activities sure to make anyone blast off with excitement! Other activities this week will incorporate skills relating to personal space and boundaries such as "Am I being a personal space invader?"

July 23rd – July 27th

Week 6 Shark Week (Under the Sea)

This week, campers will dive into the true meaning of friendship while exploring creatures under the sea! Activities will be based around different arts and crafts such as, "How sea creatures make friends", "conversation crab" and creating shark sensory bottles campers will be able to take home!

July 30th – August 3rd
Week 7 Carnival

Come one, come all! Line up to enter Prompt and Play's exciting week full of carnival festivities! This week campers will focus on team building, turn taking, and sportsmanship during a variety of activities such as giant board games, outdoor activities, and other carnival games.

August 6th – August 10th
Week 8 Architect

Besides building 3D creations and learning about famous structures around the world, our campers will have the opportunity this week to build on their social skills! Architect week will focus on how to compromise and problem solve with peers during hands on projects such as building bridges with only popsicle sticks, straws and string! Are you up for the challenge?

August 13th – August 17th
Week 9 Olympics

Olympics week will focus on team building activities paired with effective communication for teams to tackle any task! Campers will work in groups, pairs, and individually while learning the meaning of good sportsmanship through a series of puzzles, obstacles, and other gross motor challenges. Activities will be adapted to suit the physical needs of each child!

WEEKLY POOL TRIPS!!!
